CHARACTERISTICS OF GEM

GEM has been positioned as a market designed to accommodate small and mid-sized companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration.

Given that the companies listed on GEM are generally small and mid-sized companies, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board and no assurance is given that there will be a liquid market in the securities traded on GEM.

GRANT OF GENERAL MANDATES TO ISSUE SHARES AND TO BUY-BACK SHARES

At the annual general meeting held on 9 May 2018, ordinary resolutions were passed by the Shareholders granting general unconditional mandates to the Directors (i) to allot and issue Shares not exceeding 20% of the number of issued Shares of the Company as at the date when the resolution was passed; (ii) to buy-back Shares not exceeding 10% of the number of issued Shares of the Company as at the date when the resolution was passed; and (iii) to extend the general mandate of (i) above to include the number of issued Shares of the Company bought back pursuant to the general mandate of (ii) above in accordance with the GEM Listing Rules. These general mandates, which have not been exercised since the date they were granted, will expire at the conclusion of the forthcoming AGM.

At the forthcoming AGM, ordinary resolutions will be proposed to seek the Shareholders' approval for granting of the Issue Mandate and the Buy-back Mandate. Details of the aforesaid ordinary resolutions are set out in ordinary resolutions numbered 6 to 8 in the notice of the AGM.

The Issue Mandate, if approved at the AGM, will grant to the Directors the power to allot and issue Shares up to an aggregate nominal value not exceeding 20% of the number of issued Shares of the Company as at the date of the passing of the said ordinary resolution. Based on 300,000,000 Shares in issue as at the Latest Practicable Date and assuming no further Shares will be issued or bought back by the Company prior to the AGM, the maximum number of Shares which can be allotted and issued under the Issue Mandate will be up to 60,000,000 Shares.

The Buy-back Mandate, if approved at the AGM, will grant to the Directors the power to buy-back Shares not exceeding 10% of the number of issued Shares of the Company as at the date of the passing of the said ordinary resolution. Based on the 300,000,000 Shares in issue as at the Latest Practicable Date and assuming no further Shares will be issued or bought back by the Company prior to the AGM, the maximum number of Shares which can be bought back under the Buy-back Mandate will be up to 30,000,000 Shares.

Further, subject to the passing of the aforesaid ordinary resolutions of the Issue Mandate and the Buy-back Mandate, to extend the number of Shares to be allotted and issued under the Issue Mandate by an additional number representing such number of Shares bought back under the Buy-back Mandate, provided that such additional amount shall not exceed 10% of the number of issued Shares of the Company as at the date of passing the resolution.

The Issue Mandate and the Buy-back Mandate, if approved at the AGM, will continue in force until the conclusion of the next annual general meeting of the Company or the expiration of the period within which the next annual general meeting of the Company is required by the

LETTER FROM THE BOARD

Articles of Association or any applicable laws to be held or until the date upon which such authority is revoked or varied by ordinary resolution by the Shareholders in a general meeting, whichever is earlier.

An explanatory statement required by the GEM Listing Rules to be provided to the Shareholders with all the information reasonably necessary for them to make an informed decision on whether to vote for or against the proposed resolution for the granting of the Buy-back Mandate is set out in Appendix I to this circular.

RE-ELECTION OF DIRECTORS

Pursuant to Article 84(1) of the Articles of Association, Mr. He Xuan Xi, an executive Director and Mr. Tse Chi Wai, an independent non-executive Director, shall retire at the AGM, and being eligible for re-election, will offer themselves for re-election at the AGM. Accordingly, ordinary resolutions will be proposed to re-elect Mr. He Xuan Xi as an executive Director and Mr. Tse Chi Wai as an independent non-executive Director in accordance with the Articles of Association at the AGM.

RESPONSIBILITY STATEMENT

This circular, for which the Directors collectively and individually accept full responsibility, includes particulars given in compliance with the GEM Listing Rules for the purpose of giving information with regard to the Company. The Directors, having made all reasonable enquiries, confirm that, to the best of their knowledge and belief the information contained in this circular is accurate and complete in all material respects and not misleading or deceptive; and there are no other matters the omission of which would make any statement herein or this circular misleading.

RECOMMENDATION

The Directors consider that (i) the grant of the Issue Mandate and the Buy-back Mandate; and (ii) the re-election of Directors are in the best interests of the Company and the Shareholders as a whole. Accordingly, the Directors recommend the Shareholders to vote in favour of the resolutions to be proposed at the AGM.

By order of the Board
Great Water Holdings Limited
建禹集團控股有限公司
XIE Yang
Chairman

This is an explanatory statement given to the Shareholders relating to the resolution to be proposed at the AGM authorising the Buy-Back Mandate.

This explanatory statement contains all the information required pursuant to Rule 13.08 of the GEM Listing rules, which is set out as follows:

1. EXERCISE OF THE BUY-BACK MANDATE

As at the Latest Practicable Date, the number of Shares in issue was 300,000,000. Subject to the passing of the resolution in relation to the Buy-Back Mandate and on the basis that no further Shares are issued or bought back by the Company prior to the AGM, the maximum number of Shares which can be bought back under the Buy-back Mandate will be up to a maximum of 30,000,000 Shares (representing 10% of the number of issued Shares of the Company as at the date of the passing of the said ordinary resolution) during the period from the date of the passing of the ordinary resolution up to (i) the conclusion of the next annual general meeting of the Company; (ii) the expiration of the period within which the next annual general meeting of the Company is required by the Articles of Association or any applicable laws to be held; or (iii) the revocation or variation of the Buy-back Mandate by ordinary resolution of the Shareholders in a general meeting, whichever is earlier.

2. REASONS FOR THE SHARE BUY-BACK

The Directors believe that the Buy-back Mandate is in the best interests of the Company and the Shareholders. Such share buy-back may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value of the Company and/or its earnings per Share and will only be made when the Directors believe that such a buy-back will benefit the Company and the Shareholders as a whole.

3. FUNDING OF THE SHARE BUY-BACK

In buying back the Shares, the Company may only apply funds legally available for such purpose in accordance with the Articles of Association, the GEM Listing Rules and the applicable laws and regulations of the Cayman Islands. The Company is empowered by its Articles of Association to buy back its Shares. Under Cayman Islands law, the capital portion payable on a buy-back by the Company may be paid out of the profits of the Company or out of the proceeds of a fresh issue of shares made for the purpose of the buy-back or, subject to the Companies Law, out of capital and, in the case of any premium payable on a buy-back, such premium may be paid out of the profits of the Company or from sums standing to the credit of the share premium account of the Company or, subject to the Companies Law, out of capital.

4. GENERAL

There might be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited accounts contained in the annual report of the Company for the year ended 31 December 2018) in the event that the Buy-back Mandate is exercised in full at the current prevailing market value. However, the Directors do not propose to exercise the Buy-back Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

5. UNDERTAKING

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Buy-back Mandate in accordance with the GEM Listing Rules, the Articles of Association and the applicable laws of the Cayman Islands.

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their close associates (as defined in the GEM Listing Rules), have any present intention, if the Buy-back Mandate is approved by the Shareholders, to sell any Shares to the Company or its subsidiaries.

As at the Latest Practicable Date, no core connected person (as defined in the GEM Listing Rules) of the Company has notified the Company that he/she/it has a present intention to sell Shares to the Company, nor has undertaken not to do so, in the event that the Buy-back Mandate is approved by the Shareholders.

6. EFFECT OF THE TAKEOVERS CODE

If as a result of a buy-back of Shares, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of the Takeovers Code. As a result, a Shareholder or a group of Shareholders acting in concert (as interpreted according to the Takeovers Code), depending on the level of the increase of the Shareholder's interest, could obtain or consolidate control of the Company and become(s) obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, to the best of the knowledge and belief of the Directors, Mr. Xie Yang, an executive Director and a controlling Shareholder and who, through Perfect Wave Holdings Limited and Oceanic Expert Investments Limited ("**Oceanic Expert**"), was interested in an aggregate of 91,315,000 Shares, representing approximately 30.45% of the issued share capital of the Company.

In the event that the Directors exercise the proposed Buy-back Mandate in full, then (if the present shareholdings otherwise remained the same) the shareholdings of Oceanic Expert in the Company would be increased to an aggregate of approximately 33.83% of the issued share capital of the Company. If the percentage shareholding of Oceanic Expert increases by more than 2% from the lowest percentage holding of Oceanic Expert in the 12-month period ending on and inclusive of the date of the relevant buy-back, such increase of interest would give rise to an obligation to make a mandatory general offer under rules 26 and 32 of the Takeovers Code on the part of Oceanic Expert and the parties acting in concert with it. However, the Directors currently have no intention to exercise the Buy-back Mandate to such an extent that would give rise to such obligation or to exercise the Buy-back Mandate to an extent as may result in a public shareholding of less than the relevant prescribed minimum percentage of the Shares of the Company being held by the public as required by the Stock Exchange. The Directors are not aware of any other consequences which would arise under the Takeovers Code as a consequence of any share buy-back pursuant to the Buy-back Mandate.

7. SHARE BUY-BACK MADE BY THE COMPANY

During the previous six months preceding the Latest Practicable Date, the Company had not bought back any Shares (whether on GEM or otherwise).

8. SHARE PRICES

The highest and lowest prices at which the Shares have been traded on GEM during each of the previous twelve months preceding the Latest Practicable Date were as follows:

	Highest <i>HK\$</i>	Lowest <i>HK\$</i>
2018		
March	5.20	3.90
April	4.33	3.75
May	4.72	4.20
